**RALEIGH, NC** – James R. Carroll, V received the Dr. William M. Dunlap Award "in recognition of excellence in service and dedication to the Hospice mission" at Hospice of Wake County's annual dinner, held on April 2.

The Award, named in honor of a founding member of Hospice of Wake County, Inc., has been presented only 10 times during the organization's 30-year history to those who have achieved the highest level of leadership in a volunteer role.
