Quotes:

"We appreciate the support of every one of our wonderful corporate sponsors," said April Mills, event co-chair of the 7<sup>th</sup> Annual Big Bad Ball. "With their generous participation, we will continue to make the Big Bad Ball the top charity event in the Triangle."

About Hospice of Wake County:

Hospice of Wake County is a private nonprofit agency that has benefited from generous donations from the people of Wake County, the surrounding area and the families of our patients. Its Board of Directors are all volunteer community leaders, and its focus on quality care grows from its very personal concern for friends and neighbors. Hospice is a total care package for individuals with limited life expectancies and for their families. Care teams consisting of an experienced RN, a medical social worker, a home health aide, a chaplain and volunteers are available to every patient. Teams are assigned with the intent that the same basic team will remain with the patient and family for the duration of hospice services. Hospice of Wake County care teams work with the patient's personal physician, with consult as needed from the Medical Director. For more information, please call Hospice of Wake County at (919) 828-0890 or visit the event's official Web site at [www.hospiceofwake.org](http://www.hospiceofwake.org).
